

August 2020

Dear Mayfield Residents,

You may be wondering why or noticed that our Town Council meetings have been electronic, and that we don't have the Town Hall open when we have an electronic meeting. We do this in accordance with the Governor's Executive Order 2020/005 which suspends portions of the Open and Public Meetings Act while Utah has declared a State of Emergency.

A full copy of this order can be found here

<https://coronavirus-download.utah.gov/Governor/Electronic-Meetings-Order.pdf> or at Town Hall. We want to continue to promote good health and safety in our community. We will continue this practice until the orders expire. On each agenda that is posted you will see a link to the zoom website (<https://zoom.us/join>) and a meeting ID # 215-070-8960 for each meeting. This ID # stays the same for every meeting. Please continue to watch for posted agendas and join us electronically!

Heads up:

South Sanpete School District shows the first day back to school is August 20th. You may have noticed that schools returning to face-to-face in classroom instruction are asking students to wear face masks For more information go to <https://ssanpete.org/>

Reminder:

It is closed burn season from June 1 thru October 31. Also note, Mayfield has adopted the State of Utah Dept. of Natural Resources' Fire Restriction Order. This means no open fires of any kind, no discharging or use of fireworks including explosive targets, no cutting, welding or grinding metal in areas of dry vegetation, and no operating a motorcycle or ATV without an approved and working spark arrestor. A copy of the full Fire Restriction Order can be viewed online at https://utahfireinfo.gov/wp-content/uploads/2020/07/2020_CentralUtahFireRestrictions_8x11P.pdf or at Town Hall.

The Mayfield Irrigation Co. has posted the watering schedule for irrigation users at the town bulletin. Please contact them with any questions at 435-851-0697.

Thank you for taking the time to move broken down vehicles and/or trailers from the areas in front of your properties along the streets. We are continuing to improve in this area and ask for your continued compliance.

Additionally, thank you for your patience the last couple months. At odd times you may have found the Town office closed. Amanda has been in some training on different days, as well as summer vacation. As always if you have any concerns or questions stop by Town Hall Mon-Thur 8:30-4:00 or call us at 435-528-5061.
