# MAYFIELD TOWN

## July 24th Celebration

As we are preparing for our 24th of July celebration we wanted to remind you that you can bring your donations of dishes and/or stuffed animals to the back porch of the Town Hall. Please also consider donating items to the auction event. We are so excited for another year filled with fun games and events such as the fun run, attractions, parade, entertainment and food! We Can't forget about the famous pig chase and duck race. This year's celebration will be held on Saturday July 23rd.

The Lion's Club is also looking for volunteers for all parts of the celebration. Please contact Laurel Christensen 435-851-2115 to donate to the auction.

Please consider donating to our Pickleball fundraiser. Stop by the Town Hall or drop donation in drop box in closed envelope stating it is for the fundraiser.
