Mayor’s Corner

At this time of the year, as the days get longer and the sun feels warmer, I get excited for spring. For the anticipation of being outside and working in the yard. I know our yards take lots of tender care, but we can really see the results of our labor. We hope you will join with all citizens of the town and surrounding areas and make Mayfield “A BEAUTIFUL PLACE”. Be Safe, Follow Safety and Health Guidelines, and Enjoy each Day. Remember April 24th community Clean up day.

you hold dearest
be those which
come true
And the kindness
