GUNNISON VALLEY A COMMUNITY THAT CARES

Gunnison Valley A Community that Cares is sponsoring a "Family Fun Night" at the Gunnison Park on Monday, May 17th 6:00-8:00pm. Dinner is provided for FREE with a concert by motivational speaker & singer Ryan Stream. Everyone is invited. Also check them out on facebook!

SERVICE LINE WARRANTIES OF AMERICA

You will be receiving information from Service Line Warranties of America. Their policies can save you money when you end up with water or septic line breaks. Check it out!

RECREATE RESPONSIBLY

Warmer weather is bringing in more recreators. If you have friends or family that visit Town and recreate, please remind them to be mindful of residents, and private property. We are working on posting property that is often misused so there are no questions. If you see things that shouldn't be happening, please report it. If you are a recreator at our Town, please recreate responsibly.

DID YOU KNOW?

Living in a municipality ensures you have access to utility services, such as water, garbage, fire and sewer. While we don't have sewer services at this time, we do have water, fire and garbage that is required. We have contracted with White's Sanitation to provide garbage services to every residence in Town. We belong to the Sanpete County Fire District #2 who assesses the fire fee. We also work hard to provide safe drinking water for you. Regardless of your desire to have these services, every residence is required to. If you have questions, please contact us.

**Congratulations to the 2021-22 Mayfield Youth
Town Council: Sarah Liddiard, Kiya Hilton, Zaya

Mayor's Corner

Spring is such a beautiful time of the year, snow melts, grass greens up, flowers pop up, tree's leaf out. Thanks to Mark and Annette Hopkins for manning the Animal license clinic. Quick Reminder; Please stop by the town hall, Amanda has your dog's license if you missed the clinic. You will have to bring evidence of vaccination for your dog from the Vet. Quick story. I stopped at the Dog clinic to help, but mostly "gab". One of the dogs did his business on the lawn. To be helpful, I grabbed the town snow shovel and carefully removed and disposed of the doggy doo. Upon returning to the front of the town hall my good friend and former Mayor Ace Robertson, jokingly said: "Well Mayor, it looks like you have found your true calling". We had a REALLY good laugh. I am grateful for all you who call Mayfield home. Thanks to all who spent April 24 "Town Clean UP Day" helping around town and also fixing up your yard. Love to drive around and see your flowers growing. Remember this is a municipal election year. Amanda has posted a notice regarding the June 7 deadline to register. We have great people on the council now. We have two terms expiring as well as the Mayor's job is up for re-election. Let's make this an enjoyable year. Thanks
