Dear Mayfield Residents,

**GENERAL PLAN MEETING** -We invite you to attend a Mayfield Town General Planning Meeting on May 4, 2017 at the Mayfield Town Hall. Members of the planning commission, town council, and zoning administrator will be in attendance to answer questions and provide an overview of the general planning process. At the meeting, we will be setting up neighborhood representatives who will help facilitate the information gathering process. We will also be solidifying the first round of town vision questions and generating some feedback. Come find out what to expect with the general planning process and give us your feedback!

**Refreshments will be served.**

**DOG CLINIC** – Mayfield Town Dog Clinic will be held on Saturday, May 6, 2017 from 10:00 a.m. to 12:00 p.m. at the town hall. The Gunnison Valley Animal clinic will also be at the clinic. The cost is \$5.00 for a male dog and spayed female and \$10.00 for a female dog.

**TOWN CLEAN-UP WEEK** – The town clean-up week is May 8<sup>th</sup> through May 15<sup>th</sup>. Please take this week to clean up around your homes and property. There will be a large dumpster at the park.

**CEMETERY** – As many of you are aware there has been many changes at the cemetery in the last 3 years, but the most important one is the changing of the roads. We hope these changes will help you and help the town to better maintain the cemetery. The roads at the cemetery are now one-way only, with the entrance at the south gate and the exit at the north gate. We have also provided two parking areas. The west parking lot is at the west of the cemetery and the east parking area is outside the cemetery fence with access through a pedestrian gate. All turns are right turns and it should make it easier to get in and out without incident.

A lot of planning and work has gone into making the cemetery a peaceful and beautiful place to visit. We will have further improvements this summer and hope you will feel free to voice your approval or concerns. We would like to thank those people who have given service, money or encouragement along the way, there has been many and these efforts have been truly appreciated.
