

MAYFIELD TOWN

PRIMARY ELECTION RESULTS ARE IN

Mayfield residents voted to have Mike Bennett, Jaden James, Diane Johnson and Steven Liddiard advance to the general election. Congratulations candidates and thank you to all the candidates for their interest in serving Mayfield!

A NOTE FROM LION'S CLUB PRESIDENT, LAUREL CHRISTENSEN

The Mayfield Lions Club would like to thank the residents of our town for their support of the 24th of July celebration this year. We had a great turn out and successful day. We were able to raise funds we can use for town improvement projects that residents can enjoy for years to come. We appreciate all the people who pitch in with the Lions Club members to make the celebration happen. I would like to mention people who came out to help and I apologize if I have missed anyone. Mayor Andersen our city council members and Amanda Bennett thank you for handling the parade and all the help with the facilities at the park. Alisa Liddiard, Karin Watkins, and the Youth City Council ran the Fun run and the games at the park. Amanda and Mike Bennett and their youth crew handled the food. Stan and Kim Southam helped with drink sales at the food booths. Lee Sorensen arranged for the entertainment and helped with the auction. We had many great people donate wonderful items to our auction this year, thanks to all of you for your generosity. We also had several folks donate the bikes that were given away and we appreciate them. Scott and Diana Allred ran the money grab booth. Lars and Diane Johnson handled ticket sales. It takes a lot of work to set up and take down all the equipment used and we appreciate the Russell Yardley family, the Garrick Willden family, Chris Mallory and all the youth that turned up to help with that. Thanks to Tyler Gardner for security during the night of the 23rd. Doug Willden takes care of the pig races each year and the kids certainly love it. Richard and Sharon Bjerregaard handle the Duck Race and it is a huge job so a special thank you to them. And a big shout out to all the Lions Club members who make sure all of the bases are covered. It takes a lot of help from the community to pull it all off and we appreciate all of your support.

CULINARY WATER DROUGHT RATES IN PLACE

Thank you for your efforts in conserving water. It's important to note that these drought rates have been put into place for August and will remain in place as deemed necessary by the Town Council.

Base Rate	Low Limit	High Limit	Cost per 1500/Gal	Max costs per increment
Base Rate	0-gal	0 gal	\$40.00	\$40.00
Tier 1	0-gal	6000-gal	\$6.00/1500 gal	\$24.00
	4/1500 gal Units			
Tier 2	6001-gal	12,000-gal	\$12.00/1500 gal	\$48.00
	4/1500 gal Units			
Tier 3	12001-gal	48,000-gal	\$16.00/1500 gal	\$384.00
	24/1500 gal units			
Tier 4	48,001 gal	Plus	\$20.00/ 1500-gal	Base upon Availability
Commercial rate				

DID YOU KNOW?

Recreation vehicles and mobile homes are prohibited – No mobile homes will be allowed in any area within Town. It shall be unlawful to place any rv/travel trailer/camper on any lot or parcel of land and to use the same for human habitation, except they may be placed on private property and used for human habitation if one of two conditions is met and a conditional use permit is obtained. To view the entire Ordinance, go to our website: mayfieldtown.org, then scroll to the bottom of the page and click on Mayfield Town Code and search for chapter 18.48.240

Upcoming Dates

- September 6: Labor Day – Office Closed
- September 8: Town Council Meeting 7 pm.
- September 12: Grandparents Day
- September 22: Autumn Begins

Mayor's Corner

As you are aware we are in the middle of extreme drought conditions throughout the state. As Amanda indicated in our newsletter, we intend to only keep these rates in place as long as our spring flow is low and our usage is high. We regret this action because we know it impacts everyone. I would like to echo comments by Laurel Christensen, Mayfield Lions Club President, to thank all who worked so hard to make the 24th of July a great day. It takes many wonderful volunteers and citizens and visitors to make this activity such a success. Thank you to all!!! As you know we have changed most of the restroom plumbing fixtures to hands-free for your health and safety. The Town Hall required some pipe modifications which caused us to remove drywall, install the larger water pipes, install new drywall, tape, finish and paint. The final step was to paint the restrooms upstairs and down stairs. We want to thank our Mayfield Youth Council for volunteering their time to paint the restrooms. This may not be high on your bucket list, but we are grateful to them.

We are grateful to Grant Hansen, Zoning Administrator, the Planning and Zoning Committee and the Mayfield Town Appeals Committee. We are working with them to review the land use and development ordinances found in the Mayfield Town Code. You may look up the Mayfield Town Ordinances and Codes on our website: www.mayfieldtown.org.

I also want to thank Mike Bennett for spearheading removal of some trees in the town right of way up the canyon Road. Mike cut the trees down and arranged for the Mayfield Ward Young Men to help load and haul off trunks and limbs. We have trees in other areas that are also in the right of way. We are working to get them removed. It may take a year or so to get them all.

I also want to thank you all for the effort you made to eliminate use of fireworks and any activity that could have ignited a fire. We have been very fortunate to date that we have not had any fires in town. Thank you for your effort to clean up your yards to remove fire hazards.

I also want to thank Brandi Meyer for her work as town employee and water operator. She has done a very good job and we will miss her. Brandi has elected to work elsewhere. We wish her well. Thanks again to All.
